OF GREEK LETTER PRINTING

AMHERST
AMHERST COLLEGE LIBRARY
1958

The Harry De Forest Smith Collection
of Greek-letter Printing.

Shortly after his retirement, July 1, 1939, Harry De Forest Smith presented to the Library his collection of examples of Greek-letter printing. The books were given properly descriptive bookplates but were not kept as a group. The purpose of this list is to preserve a record of the individual volumes comprising the collection.

The occasional notes which appear were Mr. Smith's. No effort has been made to annotate the list beyond the point where he stopped. At the end appears a bibliography identifying the works to which he referred.
