1. La Causa (rep by Lilia)

- Need 500 for voices for the voiceless bc were trying to purchase transportation (plane tickets) over the weekend but card was declined
- Card has \$1000 per day for security reasons
- Worried that plane tickets will rise, so requesting this amount
- RJ – so don't know that this will be needed?
 - Will happen dec 6 and will try to purchase tomorrow
- Manny – how many people will be flying
 - Already bought 3 tickets, need 2 more
- RJ – how did you get the amount?
 - Just a conservative estimate
- Manny – how much was originally allocated?
 - 2500 originally allocated
 - Tierney - have about 500 left, would probably not be able to get the 2 tickets for only 500..
- Marie – have you looked recently at prices?
 - Bought a train ticket today
 - Already bought the most urgent one, and the 2 tickets that they need will probably not go up but in case
- RJ – more of a senate/bc error, so shouldn't be setting a dangerous precedent
- Motion to fund – 5,0,0

2. Theatrical Choreography Club (rep by David)

- Want to hire an instructor, how would it be funded for the remainder of the semester
- Tierney – is it a student? Do you know how much they would want for the remaining 1 ½ weeks of classes we have?
 - Not a student

- Was going to start this week and was going to be more workshop based and go beyond the 1 ½ weeks of classes
- RJ – have 4500 cap for any coach/instructor for the semester
- RJ – may be uncomfortable funding for 4 weeks since not sure how much students could take advantage of it during reading period/exams
- Tierney – may be more reasonable to do like an intro workshop
- Hao – need to get approved by Lekyia first
- Fawzi – would you think more people would go to an intro meeting next sem?
 - Consensus amongst people on the roster was to try to start earlier

3. Amherst Film Society (rep by RJ)

- Showing of the movie – a serious man
- Need money for screening rights and shipping
- Will happen after thanksgiving break
- Motion to fund – 5,0,0
