Event Details: Our last Bi-Semester Service of the year will be taking place on April 22, 2012. We expect Mrs. Hermenia T. Gardener to be speaking, and after the church service there will be a soul food lunch. This lunch is integral to our service because the service is about celebrating the African American tradition in Christianity. The service is held in Chapin Chapel, and we typically have at least 75 people in attendance. The goal is to foster community and fellowship amongst students, professors, faculty members, and those from the Amherst town while also engaging in worship and praise. This

will also be our senior service, because we commemorate all the seniors who have participated in the service in some form or another, and we give special awards to seniors who have been important in leadership and planning the event.

BC Comments: Wilfredo wants to know who the honorarium is for (Ans: For the founder of the service). Abigail says only \$50 will be funded for decorations. Event Details:

We are hosting a Date Auction this Friday, April 13th in Valentine. People are going to be auctioned off as dates and participants will bid money; the highest bidder will win a date with the individual being auctioned. The money will go to our charity organization. We have already received funding at the beginning of the semester from AAS for this event (\$500). However, lights, sound equipment, and a stage costs a total of \$800 (we received the same deal last year from the same vender, Art). Thus, we are requesting an additional \$300.

We ask that you understand the urgency and speed at which we need this funding since our event is this coming Friday. We won't be able to finalize the invoice with Art until we have this funding confirmed. We appreciate your understanding in this situation.

Thank you
