Requests

1. **Cristina Rey** requesting funding for event

- Rep: we're planning on showing a film, ASA, INCA, La Causa all co-sponsoring this event
- Rep: the honorarium would be \$500 to bring speaker to U.S., catering food would be \$200
- Rep: integral food not allocated yet
- Rep: the second event is a tiny desk concert and rap workshop in the WGC, same amount but different speaker
- Jacob: you're capped at food here but you could do \$100 with intro and discussion
- Jordan: **motion to amend 12d to \$100 and recommend as amended (4, 0, 1), approved**

2. **INCA** requesting funding for event

- Rep: we are putting together an art exhibit with art from indigenous women
- Rep: trying to bring indigenous artists to do collective art, \$500 for honorarium, already have spoken to the artist, event on 4/19 (Thurs.)
- Rep: thinking of reaching out to five college and community artists
- Rep: most of the request is for honorarium and supply/materials
- Rep: trying to ask for supplies as part the exhibit, could be displayed in different places
- J: expected attendance?
 - Rep: probably like 50-75
- J: printing/supplies more problematic but could you give us more information?
 - Rep: printing- printing photographs, shipping other works with the mead, ownership of the art can be decided at a later date
- *J explains that the art can't be auctioned off, but everything seems to work under policy*
- Y: **motion to recommend as requested (4, 0, 3), approved**

3. **Quiz Bowl** requesting funding for tournament

- Rep: our Nationals are this weekend
- Rep: we're in a weird spot because we don't know if we qualify or not
- Rep: but we'll find out by tomorrow at two
- Rep: we already got funding for this tournament, but we didn't know we'd qualify, and because we qualified for a different national tournament we ended up reallocating to that tournament
- J: so there is no money you can reallocate? Seems like you need \$150 at least
- *A bunch of reallocating happening, turns out the club had enough funding to reallocate*
